Dear Parent,

Finding a safe and vibrant schooling environment for kindergarten students is paramount in preparing them for later academic and social success. At Christian Heritage School, you will find a unique setting that encourages these youngsters to love learning as they develop their God-given talents and abilities.

I would like to invite you to read over Janet Stromberger's informative letter to prospective parents for the upcoming 2018-2019 school year. Mrs. Stromberger is a beloved teacher who has invested many years into the lives of kindergarten students and their families.

If you would like more information about Christian Heritage School, please visit our website at chspatriots.com, or call us at (509) 236-2224. On the website, you will find a link called Online Application. You can begin with a simple information request, or begin the online admissions process. God bless you as you carefully consider this important next step. I am confident that you will be pleased with the amount of student-centered attention your child will receive here at CHS!

Blessings!
